

Last but not least

Untidy gardens, rubbish and litter can be a bone of contention, try to keep the outside of your home neat & tidy.

Talk to your neighbours if something is offending you, they might not realise it is causing a problem, however if the issue is not resolved or becomes more serious contact your local Housing Office.

They will investigate your complaint and advise how the situation can be resolved.

Anti-social behaviour will not be tolerated

Your local Tenant and Residents Association along with the Barnsley Federation of Tenants & Residents will be pleased to help you.

**How To Be A
Good
Neighbour**

Together We Make A Difference

New Home?

 Moving Home is a stressful time for everyone Decorating, Moving Furniture DIY. But at last you are in your New Home

What about Your Neighbours?

Introduce yourself,
Remember People with Young Families or Elderly Residents will have different priorities.

Tell them before you start DIY they may work shifts or have small children, discuss when is the best time for you to do the noisy jobs.

Think about your Neighbours.
Remember if you have your windows open noise travels more easily.

Avoid banging doors especially in the evening,
If you live in an upstairs flat and your home isn't carpeted try wearing slippers

Please turn the music down especially in the evening, you may be causing a disturbance.

If you have children then they will need somewhere to play, but try not to let them play ball games in areas that will cause annoyance .

Something to celebrate ?
Having a party?

Tell your Neighbours in advance or invite them to join you. Be considerate ask your Guests not to create a disturbance when they leave your home.

Pets

Ensure your Landlord allows you to keep pets before you get one

Be a responsible pet owner
Dogs shouldn't be allowed to run free, clean up after your pet. Dog fouling can lead to a £1000 fine if you don't clean up the mess.

If you are out in the day make sure your pet is looked after Don't leave your dog locked or chained up for long periods of time. Barking dogs can be very annoying
